Memorandum No. 177762-Courts.III/53-5 dated 28th September '53.

LAW OFFICERS - City - Proceedings relating to the Andhra State - Pending in High Court and in Supreme Court, New Delhi Conduct of - Instructions issued.

Clauses 38 and 41 in Part IV of the Andhra State Act, 1953, provide for the transfer of the pending proceedings in the High Court at Madras, to the High Court of Andhra State or to the High Court of Mysore respectively. The Government have examined the question of the conduct of the proceedings relating to the territories in the Madras State which on the 1st of October will go over to the Andhra State or to the Mysore State, by the Law Officers of the Government in the Residuary State of Madras. As the question of appointment of the Law Officers of the Andhra State may take some time, the Government consider that the Law Officers of the Government in the Residuary State of Madras should continue to deal with the proceedings relating to the Andhra State till appointments of law officers are made by the Andhra State. The Government accordingly direct--

(i) that the Law Officers of the Government in the Residuary State of Madras should continue to appear in all

proceedings whether they arise in the Madras State territory or in the territories which on the 1st of October will go over to the Andhra State; till the Law Officers are appointed by the Andhra Government,

(ii) that the Law Officers of the Government should urge the formation of the Andhra State and the separation of the territories as a ground and obtain suitable long adjournments in such proceedings, say for about six weeks;

(iii) that the Law Officers should furnish a list of such appearances and cases to the Government in the Home Department; and

(iv) that the Law Officers should have the records relating to the cases of Andhra State ready for transfer to the Law Officer concerned of the Andhra State as soon as they are appointed by the Andhra Government.
